

# Introducing the St George's

## Parent Portal

We have set up a Parent Portal on our website to give you the chance to share your thoughts, comments or concerns with us. You can also use it if you need support – whether that is with food bags or health, parenting or housing we will do our best to support you or signpost you to someone who can.

Go to our Parent Portal by clicking [here](#) or you can find it on our website [st-georges.hull.sch.uk](http://st-georges.hull.sch.uk) on the homepage or on the [Parent Page](#).

We look forward to hearing from you.
