Have a conversation
It is really important to chat with your children on an ongoing basis about staying safe online. Not sure where to begin? These conversation starter suggestions can help.

Ask your children to tell you about the sites they like to visit and what they enjoy doing online.
What games do you and your friends like to play online?
Can you show me the websites you visit the most?
Shall we play your favourite game online together?

Ask them about how they stay safe online.
What tips do they have for you, and where did they learn them? What is OK and not OK to share?

Ask them if they know where to go for help.
Where can they go to find the safety advice, privacy settings and how to report or block on the services they use?
Think about how you each use the internet.
What more could you do to use the internet together? Are there activities that you could enjoy as a family?

Parents group

Our parents group is open to all parents who currently have a child at our school. They meet every Monday morning in the school hall just after 8:50 when you have dropped your child/ children at school. This is a great way to meet other parents as well as help to support the school with fundraising and other events. Come along, have a chat, a cuppa and a snack.

World Book Day

Thursday 2nd March is World Book Day. We will be celebrating this by sharing our favourite books and characters, so be ready to come dressed up as your favourite book character or create your very own brand new character.

Parents Day

We will be holding our spring parents day on Wednesday 1st March. We have sent out a google form asking for your preference of a morning or afternoon appointment as well as the option to come into school for a face to face meeting or to have a telephone call. Please call school if you haven't seen that.
