December 2024

Christmas Craft Day

Monday 16th December is our annual Christmas Craft Day. Families are invited to come and join your children in their classes between 9 and 11 am and 1 and 2:45pm. You are more than welcome to attend both sessions or even just for a part of one of the sessions. There will be refreshments available in the hall from 8:45am and throughout the day.

If you have more than one child in school, the children stay in their classes, you are able to move around school so that you can spend time with all of them. We look forward to seeing you on Monday.

Non- uniform week

We had a great response to the following question which we sent to all parents:

Should we allow the children to wear non-uniform in the last week of this term

(Monday16th - Friday 20th December)?

Over 95% of people voted yes to this, therefore the last week of term will be non-uniform all week for all pupils.

Thank you to everyone who responded, we really do appreciate your views.

Last week of term

Monday 16th December 2024 - Christmas Craft Day

Wednesday 18th December - Carols at St Johns church 10am – families welcome

Wednesday 18th December - School Christmas Lunch

Thursday 19th December - Winter disco and fair 5:30pm - 6:45pm

Friday 20th December 2024 - School closes at 2pm for Christmas holiday

Arbour app – push notifications

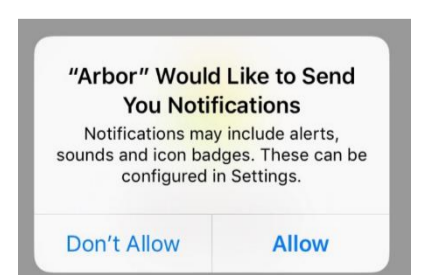

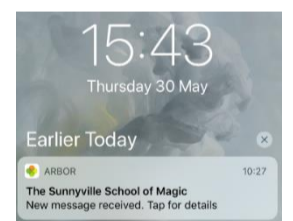

You can enable push notifications when installing the Parent App on your phone, which means you will be notified when you have been sent a new in-app message (whether you are logged in or not).

Sometimes, you may stop receiving push notifications to your phones. Even though you may have enabled push notifications on your phones, iOS devices occasionally block push notifications if the phone is receiving a lot of them.

If you do stop receiving messages, you can complete the below steps to enable them again:

1. Close the Parent App
2. Go to your settings and switch OFF push notifications for the Parent App.
3. Restart your phone.
4. Go to the settings and switch ON push notification for the Parent App.
5. Restart your phone again.
6. You should then be able to receive push notifications again.
7. If after all the steps above have been completed and push notifications are still not appearing, uninstall the Parent App from the device and install it again.

When installing the second time, make sure that you agree to receive push notifications from the app.

Dates for your diaries
