Hull Fair Top Tips Safety Advice

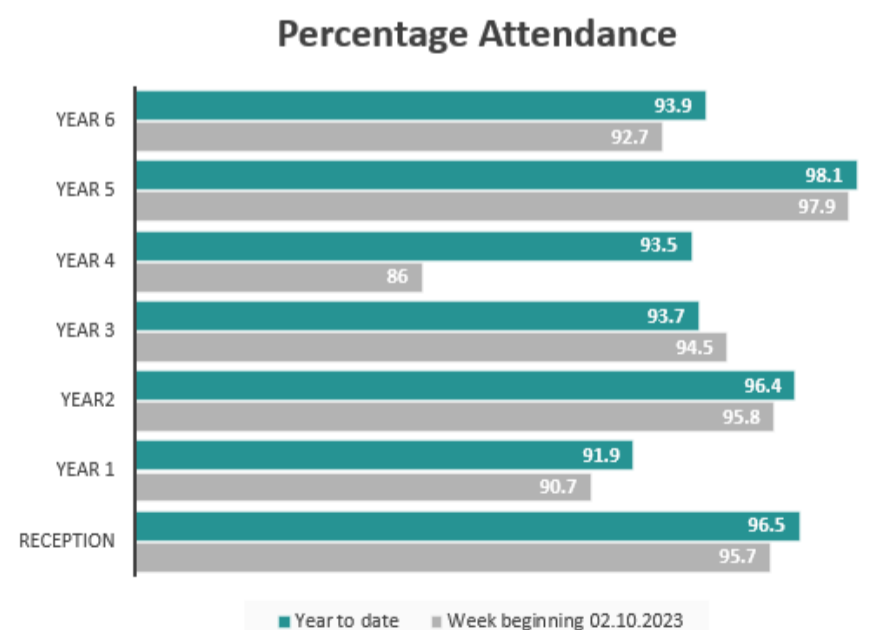

- Don't go alone, children and young people must always go with a responsible adult.
- Take a photo of children before you set off so if you become separated you can quickly show a police officer what they look like and what they are wearing.
- Give your child your contact details, preferably with a mobile telephone number. Carrying these contact details will enable any child who becomes lost, to be reunited quickly. Make sure your child knows who to go to if they get lost, point out Police officers and Police Community Support Officers.
- Leave any valuables at home, only take with you what you absolutely need and remember to lock all windows and doors before you set off.
- Consider wearing clothes that have pockets with zips or using a money belt to keep your property safe. Only take the amount of money you will need and are willing to spend.
- If you see anything suspicious report it immediately to a Police Officer, Police Community Support Officer, Stewards or Fairground Staff.
- Have a pre-arranged meeting place to go to in the event of you becoming separated from friends/relatives.

Thank you

Thank you to the parents who joined Mrs Broom and Miss Garbutt for the phonics workshop on Wednesday afternoon – we hope it helps you support your children's learning. We will be running more workshops throughout the year – if there is anything you would like to know more about please let us know.

Attendance

- Regular attendance at school is essential for all children to achieve in the short and long term.
- Good attendance is not just about learning but about social skills.
- Children who miss a lot of school can often become anxious about attending because they worry that they will not be able to keep up or not be sure about what is happening in class.
- The DfE definition of acceptable attendance is 96% - a child with 96% attendance will have missed 7.5 days of school.
- Children whose attendance is below 90% are classed as persistent absentees. Any child whose attendance falls below 90% will be placed on an attendance support plan until their attendance improves.

Stay and Read

Stay and Read is every Monday afternoon from 3pm. This is an opportunity for you to come into your child's class and read with them and their friends. Please remember that this is quiet reading time ensure that all phones are turned off.

A huge thank you to all the families who have joined us so far this term.
