

Coffee, cake and a chat

Monday 20th November at 2:30pm – 3pm join us in the hall for coffee (or tea), cake and a chat.

We would love to hear from you about how we can make relationships between families and school better.

We will be joined by Kate Genever who is supporting us in gathering your thoughts on how we can make the St George's (and wider) community work better for you and your families.

Let us know:

- How can we improve our communication with you?
- What support we could offer?
- How can we help you in supporting your children's learning?
- What can we do to improve community links?

... and anything else you would like to share.

We look forward to seeing you there.
