Friday 25th March 2022

Dear Year 5 Parents and Carers,

I am writing to let you know there has been a positive case of Covid-19 within the school community, and your child may have had contact with them during their infectious period. We advise that as a precaution you administer a lateral flow test to your child each morning if they are able to tolerate it.

Schools are no longer expected to identify the close contacts of cases of Covid-19 this is done by the national Test and Trace system.

Test and Trace may be in touch with you in the coming days if your child is identified as a close contact by them, but as a school we will not pass personal contact details on to the case to share with Test and Trace.

Your child should continue to attend school unless they develop symptoms of Covid-19 or are unwell. If they do develop symptoms, please keep your child at home and book a PCR test for them.

The 3 main Covid-19 symptoms remain a temperature of 37.8 degrees or higher; a new continuous cough; a change to or loss of taste and smell.

Many thanks for your continued support

Louise Oddy
Headteacher
