Day 2022** | **Tuesday

Coordinated by the UK Safer Internet Centre

### **Have a conversation**

It is really important to chat with your children on an ongoing basis about staying safe online. Not sure where to begin? These conversation starter suggestions can help.

### **Ask your children to tell you about the sites they like to visit and what they enjoy doing online.**

What games do you and your friends like to play online? Can you show me the websites you visit the most? Shall we play your favourite game online together?

### **Ask them about how they stay safe online.**

What tips do they have for you, and where did they learn them? What is OK and not OK to share?

### **Ask them if they know where to go for help.**

Where can they go to find the safety advice, privacy settings and how to report or block on the services they use?

### **Think about how you each use the internet.**

What more could you do to use the internet together? Are there activities that you could enjoy as a family?

**Dates for your diaries – please note an additional training day has been added by the trust on Tuesday 26<sup>th</sup> April.**
